Future AGMs in online only form

Legislation changed after Covid (according to § 32 Abs. 2 BGB):

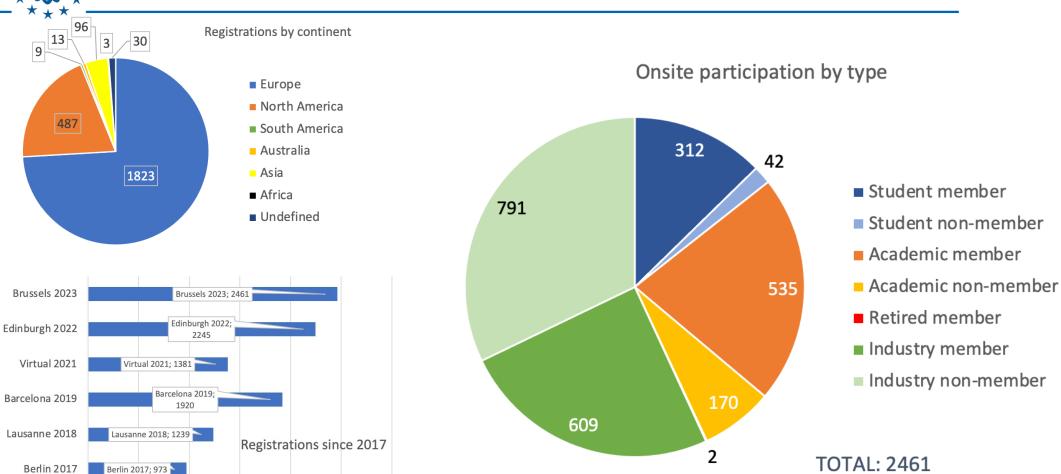

A hybrid general meeting can always be called. However, members have the right to choose between participation in person or online.

AGM can decide that participation and voting is only possible via electronic communication (online general meeting).

→ We vote that online (virtual) general meetings (and votings) are acceptable for all future general assemblies.

TO OUR **SPONSORS THANK** YOU
